3. November-specific checks

- Check hotel prices against your exact dates — Christmas-market openings can change demand during the month.
- Add the accommodation tax shown by your booking, rather than assuming it is already included.
- Price airport transport separately from ordinary Vienna city transport.
- Decide whether you need individual rides, a 24-hour ticket, a 7-day ticket, or a tourist card.
- Set a separate seasonal-food budget if Christmas markets are part of the trip.

4. Experiences: pay for what matters
